

## State Awards Program

Revised 07-2017

### FPSA Hall of Fame

The FPSA Hall of Fame Award may be awarded to past or present Public Service Teachers/Advisors, Department of Education Personnel, law enforcement agencies/personnel, and teacher education personnel, who have contributed significantly to the success of Florida FPSA, at the local, regional or state levels.

Nominees must be recommended by a committee of two or more members (professional or students) and have the approval of the Board of Directors. The maximum number of awards to be given each year shall be determined by the Board of Directors.

No individual shall be eligible to receive the FPSA HALL OF FAME AWARD more than one time.

This is the highest award FPSA can bestow upon an individual.

### FPSA Outstanding Service Award

The FPSA Outstanding Service Award may be awarded to Public Service Personnel who have contributed significantly to the success of the FPSA at the local, regional or state levels for five years or more.

### FPSA Award of Merit

The FPSA Award of Merit may be awarded to Public Service Personnel, business people, school administrators, law enforcement or teacher education personnel, and other individuals who have contributed significantly to the success of the FPSA at the state level, or to organizations or companies whose assistance has been notable in any area of the State Public Service program.

Nominees for the Outstanding Service Award and the Award of Merit must be recommended by a committee of two or more members (professional or students) and have the approval of the Board of Directors. The maximum number of awards to be given shall not exceed three in any one year in each category.

No individual shall be eligible to receive the same award two years in succession.
