

Ideal Classroom

Created 11/2019

Purpose: The Ideal Classroom competition is designed to expose the student to the field of education. The competition will provide the student with opportunities to learn about the education system and the rules and regulation that go into designing and operating a classroom.

Description of Event: Design a classroom that meets Florida class size amendment and is conducive to the learning process taking into account accommodations that are offered to students and technology.

Limit: 1 team of 3-8 students per Teaching Assistant Chapter

Dress Code: Appropriate dress to include; business attire, chapter uniform or other attire appropriate for the competition, or as directed by your chapter advisor.

Rules:

1. To be eligible for the competition a student must be enrolled in a secondary public service education program or a program completer as recognized by Florida Department of Education.

Power Point Presentation: 15-minute limit

Model Classroom (using Department of Education standards)

Map of the classroom either drawn on poster board or included in power point. No penalty for being hand drawn on poster board.

Presentation must include the following:

- 1) Purpose of the classroom.
- 2) Who is it designed for? (English, Math, Science, Social Studies, CTE)
- 3) Who will staff it and what are the personal requirements, special training, and salary?
- 4) How many students will be taught?
- 5) How will the students and grade level?
- 6) What type of security procedures will be used in case of an active shooter?
- 7) What is the typical student's daily schedule?
- 8) What is the schools policy on students leaving the classroom to use the: restroom, nurse, guidance?

The following should be included in the presentation

- A detailed diagram (schematic) of the entire classroom drawn on poster board
- A model of a typical classroom. Must include accurate measurements and technology. Include a copy of resources used to complete this section. A deduction of 3 points will be assessed with the absence of the copy of resources used to complete the classroom.
- A PowerPoint presentation addressing the above points (1-11).
- A hard copy of your power point (just in case the projector or computer fail).

Ideal Classroom Scoring Guidelines

Created 11/2019

Student Name _____
Student Name _____
Team Number _____
Judge's Name _____ Judge's Signature _____
Judge's Name _____ Judge's Signature _____

Final Score _____

Points Values

Excellent = 5	Superior = 4	Good = 3	Fair = 2	Poor = 1
				Score
Purpose of classroom. Who is it designed for? English, Math, Science, Social Studies, CTE				_____
Classroom Staff Duties, education, Personnel requirements, Special training, salary				_____
Numbers Number of teachers per students				_____
Security What controls are used in the classroom? Lock down, fire, severe weather drills, and other emergencies including disruptive students and medical emergencies				_____
Daily schedule of students Hour by hour format, class schedule				_____
Funding How will your classroom be funded? State budget, county school board, special taxes				_____
Privileges Bathroom, guidance counselor, and other requests by students				_____
Map of school Neatness, labeled, (does not need to be part of PowerPoint)				_____
Classroom model Neatness, labeled with correct classroom dimensions				_____
PowerPoint presentation Creativity, graphics, pictures, knowledge of information presented				_____
				Total points _____
