Florida Public Service Association, Inc.

Teacher of the Quarter

Month

Teacher of the Quarter should demonstrate exceptional skills in managing their classroom environment. They should exhibit exemplary teaching practices by designing and implementing engaging lesson plans. Teacher of the Quarter should have effective communication skills and create an atmosphere of motivation for their students. The award recipient should have a measurable positive impact on their student's academic progress and foster a collaborative atmosphere with other teachers.

Above all, the Teacher of the Quarter should demonstrate a genuine dedication and passion for teaching. They should exhibit enthusiasm, energy, and a genuine love for their profession, inspiring both students and colleagues alike.
