Florida Public Service Association, Inc.

Composite Drawing

Purpose: The composite drawing competition is designed to test the observation and memory of the student. The student will observe a photograph of a possible suspect and will have to recreate the image using software designed for law enforcement.

Description of event: The student will recreate from a photograph a picture of a potential suspect.

Limit: 1 team of 2 per Criminal Justice Chapter

Dress code: appropriate dress to include; business attire, chapter uniform or other attire appropriate for the competition, or as directed by your chapter advisor.

Rules:
1. The student will be positioned at a station, which includes a computer with composite drawing software installed.
2. One student will have 30 seconds to look at a photograph of a potential suspect.
3. The other student will have 15 minutes to recreate the image from the description of the first student using the software.
4. At the end of the 15 minutes, the student will save the image to the computer. (the judge will assist if necessary) The file name will be the student's last name and chapter name. For example, smith_jones_pinellas_park.
